THEME VERSE

Iron sharpens iron, and one person sharpens another. (Pro 27:17 CSB)

THEME:

At CROSS Retreat this year we're diving into a topic that's relevant to us all: relationships. Whether it's with our parents, friends, or siblings, relationships are a huge part of our lives. But sometimes, these relationships can feel SHIPwrecked – broken, damaged, or just plain lost at sea. Over the weekend, we'll explore what the Bible says about relationships, how to navigate the storms, and how to steer our SHIPs (friendships, relationships, and more) in the right direction.
